LAZARUS HOUSE

Revitalizing the Community

Annual Report 2008

'Where there is no vision, the people shall perish.'

Proverbs 28

Lazarus House is grateful for the tremendous support we received in 2008. We are very excited about the work we were able to accomplish because of your support. In 2008, Lazarus House was able to offer the Wellness Program to 33 clients per day - it was a record year! Lazarus House provided a program of hope to adolescents and adults faced with chronic illness. The Wellness Program taught life skills to people living with HIV, cancer, spinal cord trauma, and degenerative nerve disorders in 2008.

Your support helped us stay true to our mission, to provide a multi-disciplinary wellness program that focuses on their body, mind, and spirit through an integrated program of exercise, weight training, nutritional counseling, and support to address the issues associated with *cachexia*, or disease related muscle loss. The Lazarus House is a safe haven comforting clients' anxieties and inhibitions and encouraging commitment to a healthier, happier life.

Thank you for helping Lazarus House keep the vision!
